Super Soft Eye Make up Remover BI PHASE

100 ml
shake bottle

SHORT DESCRIPTION	2-phase Eye Make up Remover
SKIN TYPE	For all skin types
PRODUCT GALENICS	Two liquids (colorless and rose)
PRODUCT DESCRIPTION	Through the mix of water- and oil containing phases, every eye and lip make up- even water resistant- will be perfectly removed. With soothing Panthenol and Hyaluronic acid. Extracts from Alpine Thyme and Butterfly-Bush protect the skin against environmental stress.
EFFECTS AND CHARACTERISTICS	<ul style="list-style-type: none"> • Moisturizes with Hyaluronic acid • Protection against environmental stress • Soothing and calming • Also suitable for sensitive eyes • Emulsifier free • Free of preservatives • Parabenfree
SPECIAL INGREDIENTS	<ul style="list-style-type: none"> • Hyaluronic acid: provides the skin with long-lasting moisture and smoothes the microrelief. • Panthenol: soothing and calming. • Extracts of Alpine Thyme and Butterfly Bush: help the skin to defend itself against damaging influences. The damaging effects of ROS (Reactive Oxygen Species) are reduced.
USE IN THE CABINE AT HOME	Shake well before use, put it on a cotton pad and gently remove the eye make up with a little bit of pressure.
