Hydrating Complex

Skin Hydration

7 x 2 ml box
25 x 2 ml box

PRODUCT BENEFITS

Hydrating Complex is an active ingredient concentrate for deep moisturizing of the skin. Aloe leaf juice, Sodium PCA and Hyaluronic acid smooth the skin and replenish the moisture depots. Hamamelis extract and Allantoin have an astringent and soothing effect. To be able to achieve the best result, it is advisable to use the complex as a cure.

TARGET GROUP

Hydrating Complex is especially suited for dry and dehydrated skin.

ACTIVE INGREDIENTS

- **Aloe Barbadensis Leaf Juice Powder:** desert lily, powder obtained from the dried leaves, acts humectant, anti-inflammatory and softening.
- **Sodium PCA:** a salt, which is found in human skin and has the task to protect it from drying out. It has the function as a moisture regulator and ensures smoothness and elasticity.
- **Hamamelis Virginia (Witch Hazel) Water:** aqueous solution of the Virginian witch hazel, astringent, soothing, anti-inflammatory and antiseptic.
- **Allantoin:** primary end product of degradation of nucleic acid, which is used against skin irritation. It accelerates the cell structure, the cell formation, cell regeneration and soothes the skin. It also supports the healing of wounds.
- **Sodium Hyaluronate:** Hyaluronic acid, skin's own substance, which is strong moisturizing and moisture retaining. Smooths the skin and softens wrinkles.

EFFECTS AND CHARACTERISTICS

- Intensive moisturizing, moisture retaining, moisture regulating
- Cell regeneration
- Anti-irritation and anti-inflammatory
- Increases elasticity and suppleness

APPLICATION

Carefully break the ampoule with a tissue, give the contents into the hands and distribute it gently with light pressure onto face, neck and décolleté line. Then apply the usual day or night care.
