PRODUCT DESCRIPTION

Immediate Calming SOS **SERUM** is an immediately calming serum for stressed and sensitive facial skin. An extract from the stem cells of the Alpine Rose strengthens the skin barrier and increases the vitality and energy of the skin's own stem cells and, at the same time, protects these from UV-induced stress. Hyaluronic acid provides the skin with additional, long-lasting moisture.

EFFECTS AND CHARACTERISTICS

- Forms a water-binding film on the surface of the skin
- Protects the skin from dryness
- Pads out lines and wrinkles
- Long-lasting moisturising of the skin (long-term effect lasting 72 hours)
- Strengthens the skin barrier function of the skin
- Reduces the transepidermal water loss
- Immediate calming and anti-inflammatory effect
- Strengthens the skin barrier
- Increases vitality and energy of the skin's own stem cells
- Protection from UV-induced stress
- Strengthening of the capillary system
- Improvement of skin tone
- More even and fresh skin

SPECIAL INGREDIENTS

- **Long-chain Hyaluronic acid:** Long-chain Hyaluronic acid is not able to penetrate the skin, but it forms a water-binding film on the surface and thus protects the skin from drying out. Fine lines and wrinkles are padded out (line filler effect).
- **Short-chain Hyaluronic acid:** Short-chain Hyaluronic acid is able to penetrate the upper layers of the Stratum corneum and bind water there. The result is a higher water content in the skin and transepidermal water loss is reduced. The skin is supplied with long-lasting moisture and padded from the inside out.
- **Alpha Bisabolol:** the calming and anti-inflammatory properties counteract redness.
- **PENTAVITIN™***: skin identical carbohydrate complex for long-lasting moisturising of the skin. 72 hours long-lasting effect thanks to the permanent junction to the keratinocytes of the Stratum corneum. This strengthens the barrier function which reduces transepidermal water loss.

SPECIAL INGREDIENTS

- **Stem cells of the Alpine Rose:** Strengthen the skin barrier, increase the vitality and energy of the skin's own stem cells and simultaneously protect against UV-induced stress.
- **Biophytex®:** A combination of a various plant extracts strengthens the capillary system of the skin and counteracts redness. Placebo-controlled studies demonstrated an improvement in skin tone (with regard to redness) by more than 30 % after two weeks when applied twice a day. The number of telangiectasias can be reduced by around 20 %. The skin appears more even and fresher.

USE IN THE CABINE | AT HOME

Every day in the morning and evening after cleansing apply evenly to face, neck and décolleté and gently massage in.

NOTE | TIP

For an even more effective result, use the **Immediate Calming SOS SERUM** under your night time care.
