

DERMAFLEECE MASKS

- Refreshes
- Firms the epidermis in the eye area
- Moisturizing and moisture retaining
- Reduces wrinkles caused by dryness
- Increases the tissue's resilience and elasticity
- Supports the skin's native regeneration process
- Leaves the eye zone looking velvety
- Banishes signs of tiredness

Application

Following skin cleansing and the application of an active substance concentrate, place Collagen Eye onto the non-oily area of skin which is to be treated, preferably moisten with Mask Activator and allow to work in for approx. 20-30 minutes. Finally, peel the mask off in one piece. Gently press in any moisture remaining on the surface of the skin.

The treatment can be continued with a massage cream, cream mask and/or concluding care.

Note: Always store Collagen Eye in the sealed packaging at room temperature; protect against moisture and direct exposure to sunlight.

Tip: Ideal in combination with the Lifting Effect ampoule.

Collagen Eye

LYOPHILIZED FLEECE MASK CONSISTING OF PURE, NATIVE COLLAGEN

Ideal for specific treatment of the eye area. "Eye lifting" for the beauty salon. Premature wrinkles in the eye area are effectively combated. Even the sensitive eye area will love this treatment, as Collagen Eye fleece masks are lipid-free and contain no preservatives, colorants or fragrances.

The Collagen Eye fleece masks refresh and lift the epidermis in the eye area, thereby leaving it looking younger.

The Collagen Eye fleece masks are cut to size specifically for the eye area.

Choose from the 2 possible pre-cut forms depending on the area to be treated:

- Collagen Eye Lid Mask (kidney-shaped pre-cut form, ideal for "crows" feet), (Ref. 8106.901)
- Collagen Eye Contour Pad (oval pre-cut form for the entire eye; also ideal for the lip contours), (Ref. 8109.901)

ACTIVE SUBSTANCES

- **Collagen:** Moisturizing and moisture-binding, lifts the skin
