## DEMANDING SKIN

- Visibly improved complexion
- Noticeably smoother skin
- Soothes stressed skin
- Promotes regeneration of the epidermis
- Protection against premature skin aging

### Home care application

Apply Rich Energy Mask onto cleansed skin. Allow to work in for 20 minutes. Remove with warm, moist compresses.

**Tip:** For intensive treatment, simply remove surplus mask with paper tissues; gently massage the remainder into the skin and allow to work in over night instead of a night care cream.

## Rich Energy Mask

### VITALIZING CREAM MASK

The skin may also suffer during periods of excessive stress. Not infrequently, it then appears scaly, irritated and/or tired and pale. In short, it is lacking in vitality and freshness. A particularly quick and reviving measure is desirable in this case. Thank goodness a rapidly acting care mask is available for these special needs.

Rich Energy Mask is a rich cream mask. Its plentiful and supple texture pampers demanding skin and combats the initial signs of tiredness.

With each application, the skin is provided with an extra portion of caring and vital substances for a radiantly beautiful appearance.

### ACTIVE SUBSTANCES

- **Apple stem cell extract:** Stimulates the growth of stem cells
- **Vitamin A palmitate:** Promotes regeneration of the epidermis
- **Vitamin E acetate:** Stabilized vitamin E (tocopherol), radical scavenger, prevents premature skin aging
- **Panthenol (provitamin B5):** Soothes irritated, stressed skin
- **Hyaluronic acid (long- and short-chain):** Immediately noticeable skin smoothness and long-lasting increase in skin moisture; smoothes and reduces wrinkles caused by dryness
- **Saccharide isomerate:** Mixture of various sugars produced from plant-based glucose which bind firmly to the skin's creatine and ensure a long-lasting increase in the skin's moisture
