DEMANDING SKIN

- With the care formula for preserving the demanding skin's hydrolipidic barrier
- Easily distributed
- Leaves the skin feeling clean and refreshed
- Intensive and thorough skin cleansing
- Can be washed off using water
- Avoids feelings of tension

■ Brightening Face Cleanser

CLEANSING LOTION FOR A FRESH COMPLEXION

Just like any other skin condition, demanding skin also requires careful skin cleansing. It is the basis of effective skin care.

Gently cleansed, the skin is optimally prepared for absorbing subsequently applied care and active substance preparations.

Brightening Face Cleanser is a rich cleansing lotion for demanding skin. Make-up residues are gently removed. Particles of dirt and substances excreted by the skin are removed both gently and reliably from the skin.

The water-soluble formula can be easily distributed and leaves the skin feeling clean and refreshed. The mulberry tree root extract promotes the fresh, clear radiance of demanding skin.

ACTIVE SUBSTANCES

- **Morus alba:** White mulberry tree root extract
- **Fatty alcohol ethoxylates:** Non-ionic tensides, emulsify water- and lipid-soluble particles of dirt without drying out the skin

Home care application

Distribute Brightening Face Cleanser over the face and neck in the morning and evening and massage in with the fingertips in circling motions. Remove with plenty of lukewarm water or moist compresses.

Tip: In the case of very heavy make-up, cleansing in two stages with Brightening Face Cleanser is recommended:

1. Apply cleansing lotion, distribute gently and remove the surplus with a paper tissue.
2. Apply cleansing lotion again, distribute gently and wash off with plenty of water or a compress.
